The WonderTeam!

Heyy!

Here is your favorite team!
We are 6 members to deal with
your orders during the all day and we
loooove it!

(From the left to the right: Alexa,
Andrea, Julie, Gabrielle, Victoire and
Célia!)

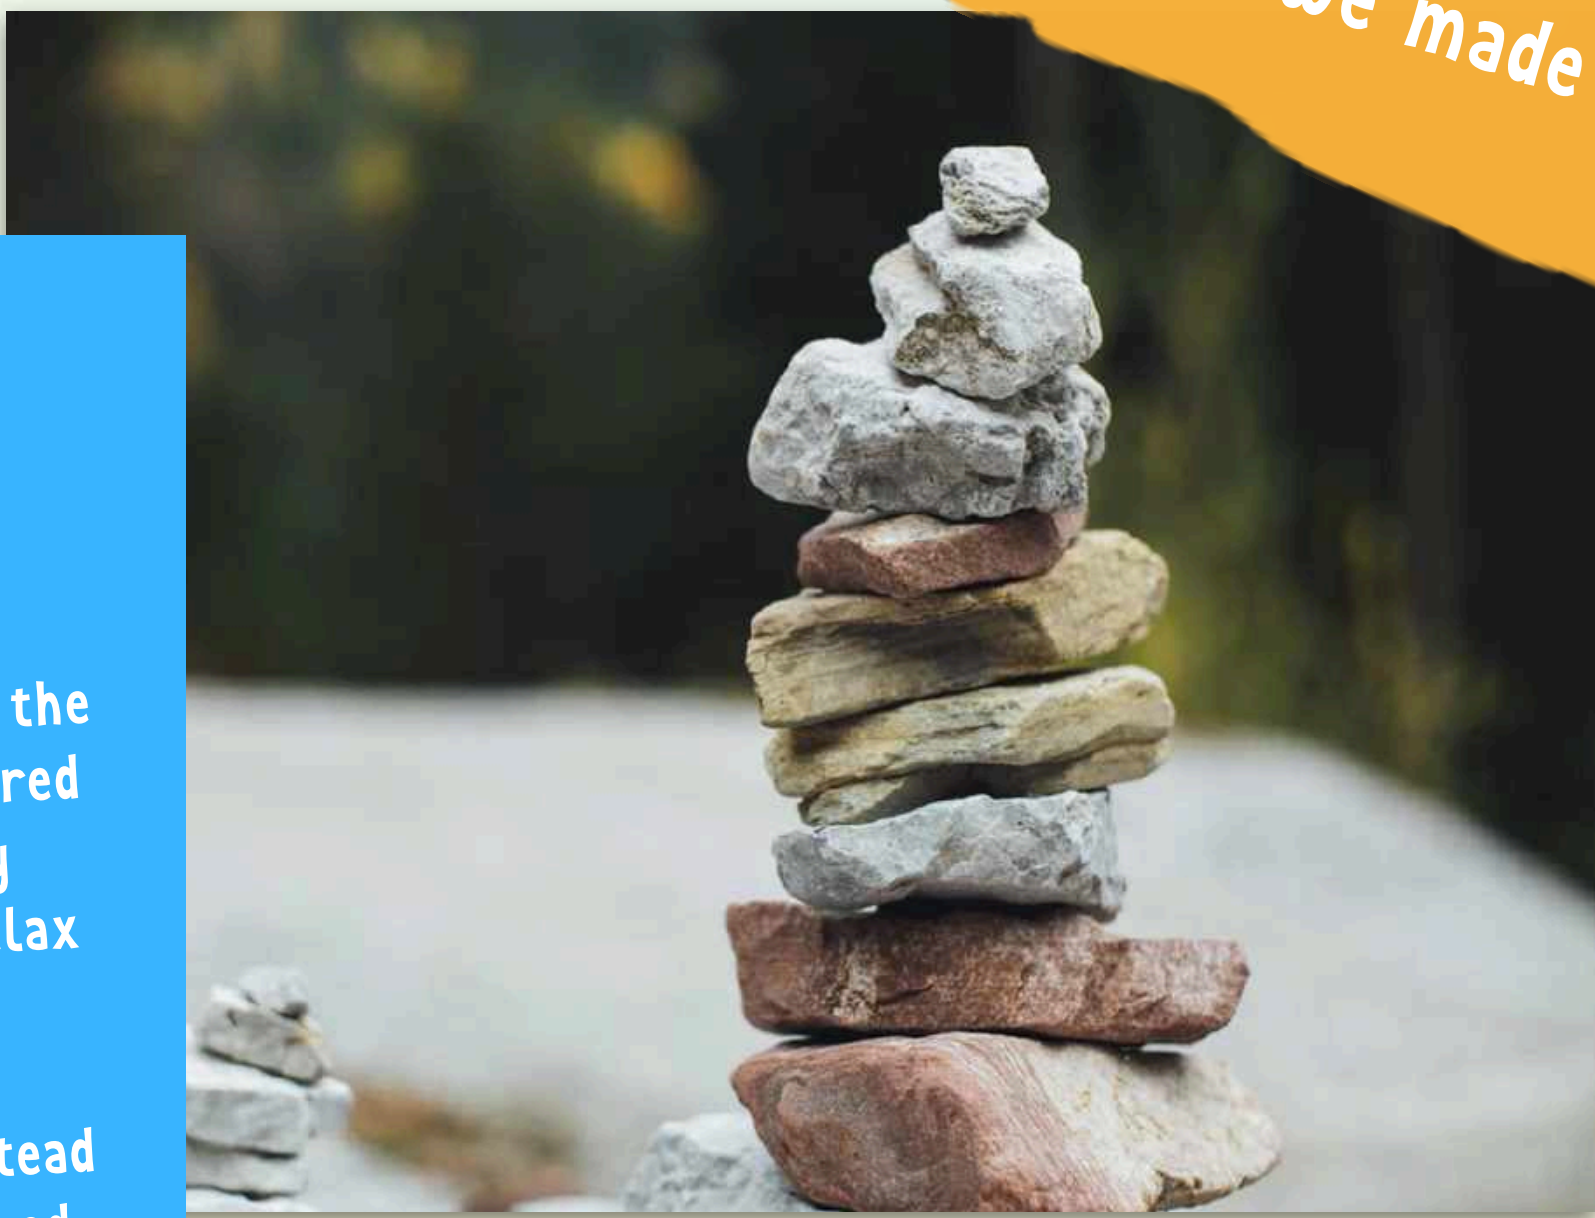

How we made it?

Our cool story ;)

Basically we were just 6 students in the
same working group and we were bored
of looking for hours for a cool fancy
place to stay with cheesecakes to relax
ehh!

So we decided to do this project instead
of our uni work. We were so surprised
that everybody likes it that we decided
to launch it no matter what! :D

And here we are! :)
